

# 1 Installation C6 X1-M2

## 1.1 Basic Safety Instructions

### NOTICE

#### Hazards and risks through ignorance!

- Read the instructions for use.
- Observe the safety and warning instructions.
- Ask if something is unclear.

## 1.2 Monitor assembly

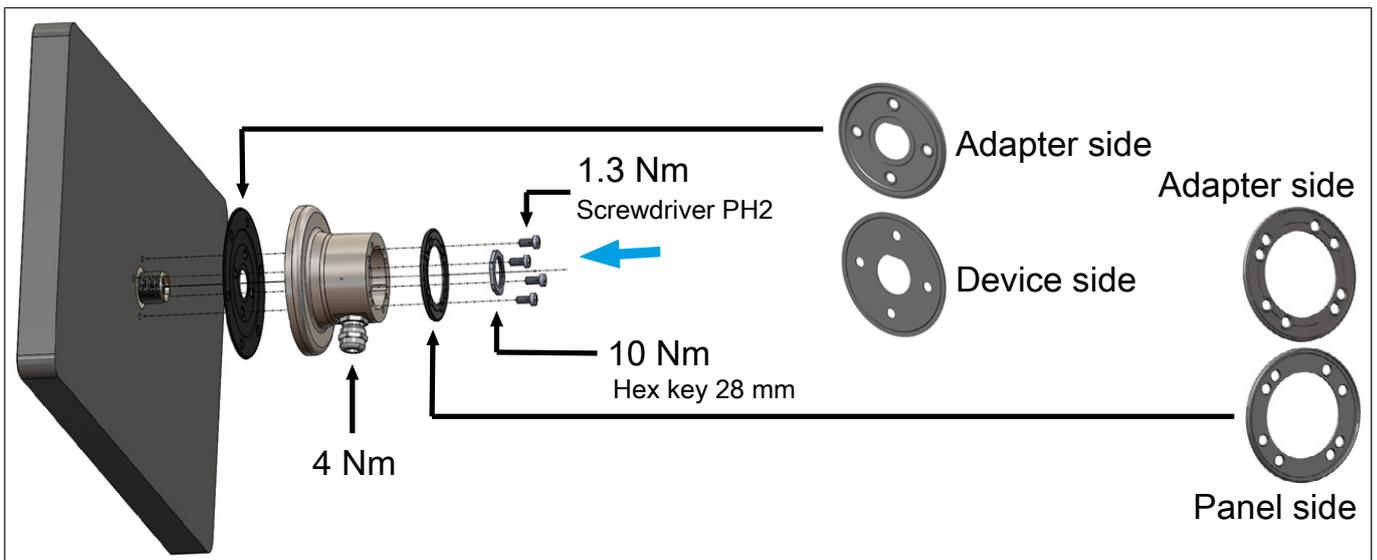

Fig. 1: Assembly C6 X1-M2

### NOTICE

#### Ingress of water or dust!

- To ensure IP67 and TYPE 1 or 12 or 4X the assembly instructions must be followed scrupulously.

### NOTICE

#### Unpredictable malfunctions

- Installation must be carried out by specialised personnel with the necessary skills.
- Only use this mounting system for its intended purpose as described in this manual.
- Only use original manufacturer parts.
- It is the customer's responsibility to ensure that all mounting systems are correctly assembled and installed using the appropriate instructions.
